Problems (NFT Lenders)

There are some NFTs holders who are....

- Reluctant/Unavailable to participate in special events related to some of the NFTs owned
- Reluctant/Unavailable to redeem special perks and benefits related to some of the NFTs owned

By loaning their NFT(s), they will be able to **maximize benefits from their NFT assets** while holding the NFT(s)

Problems

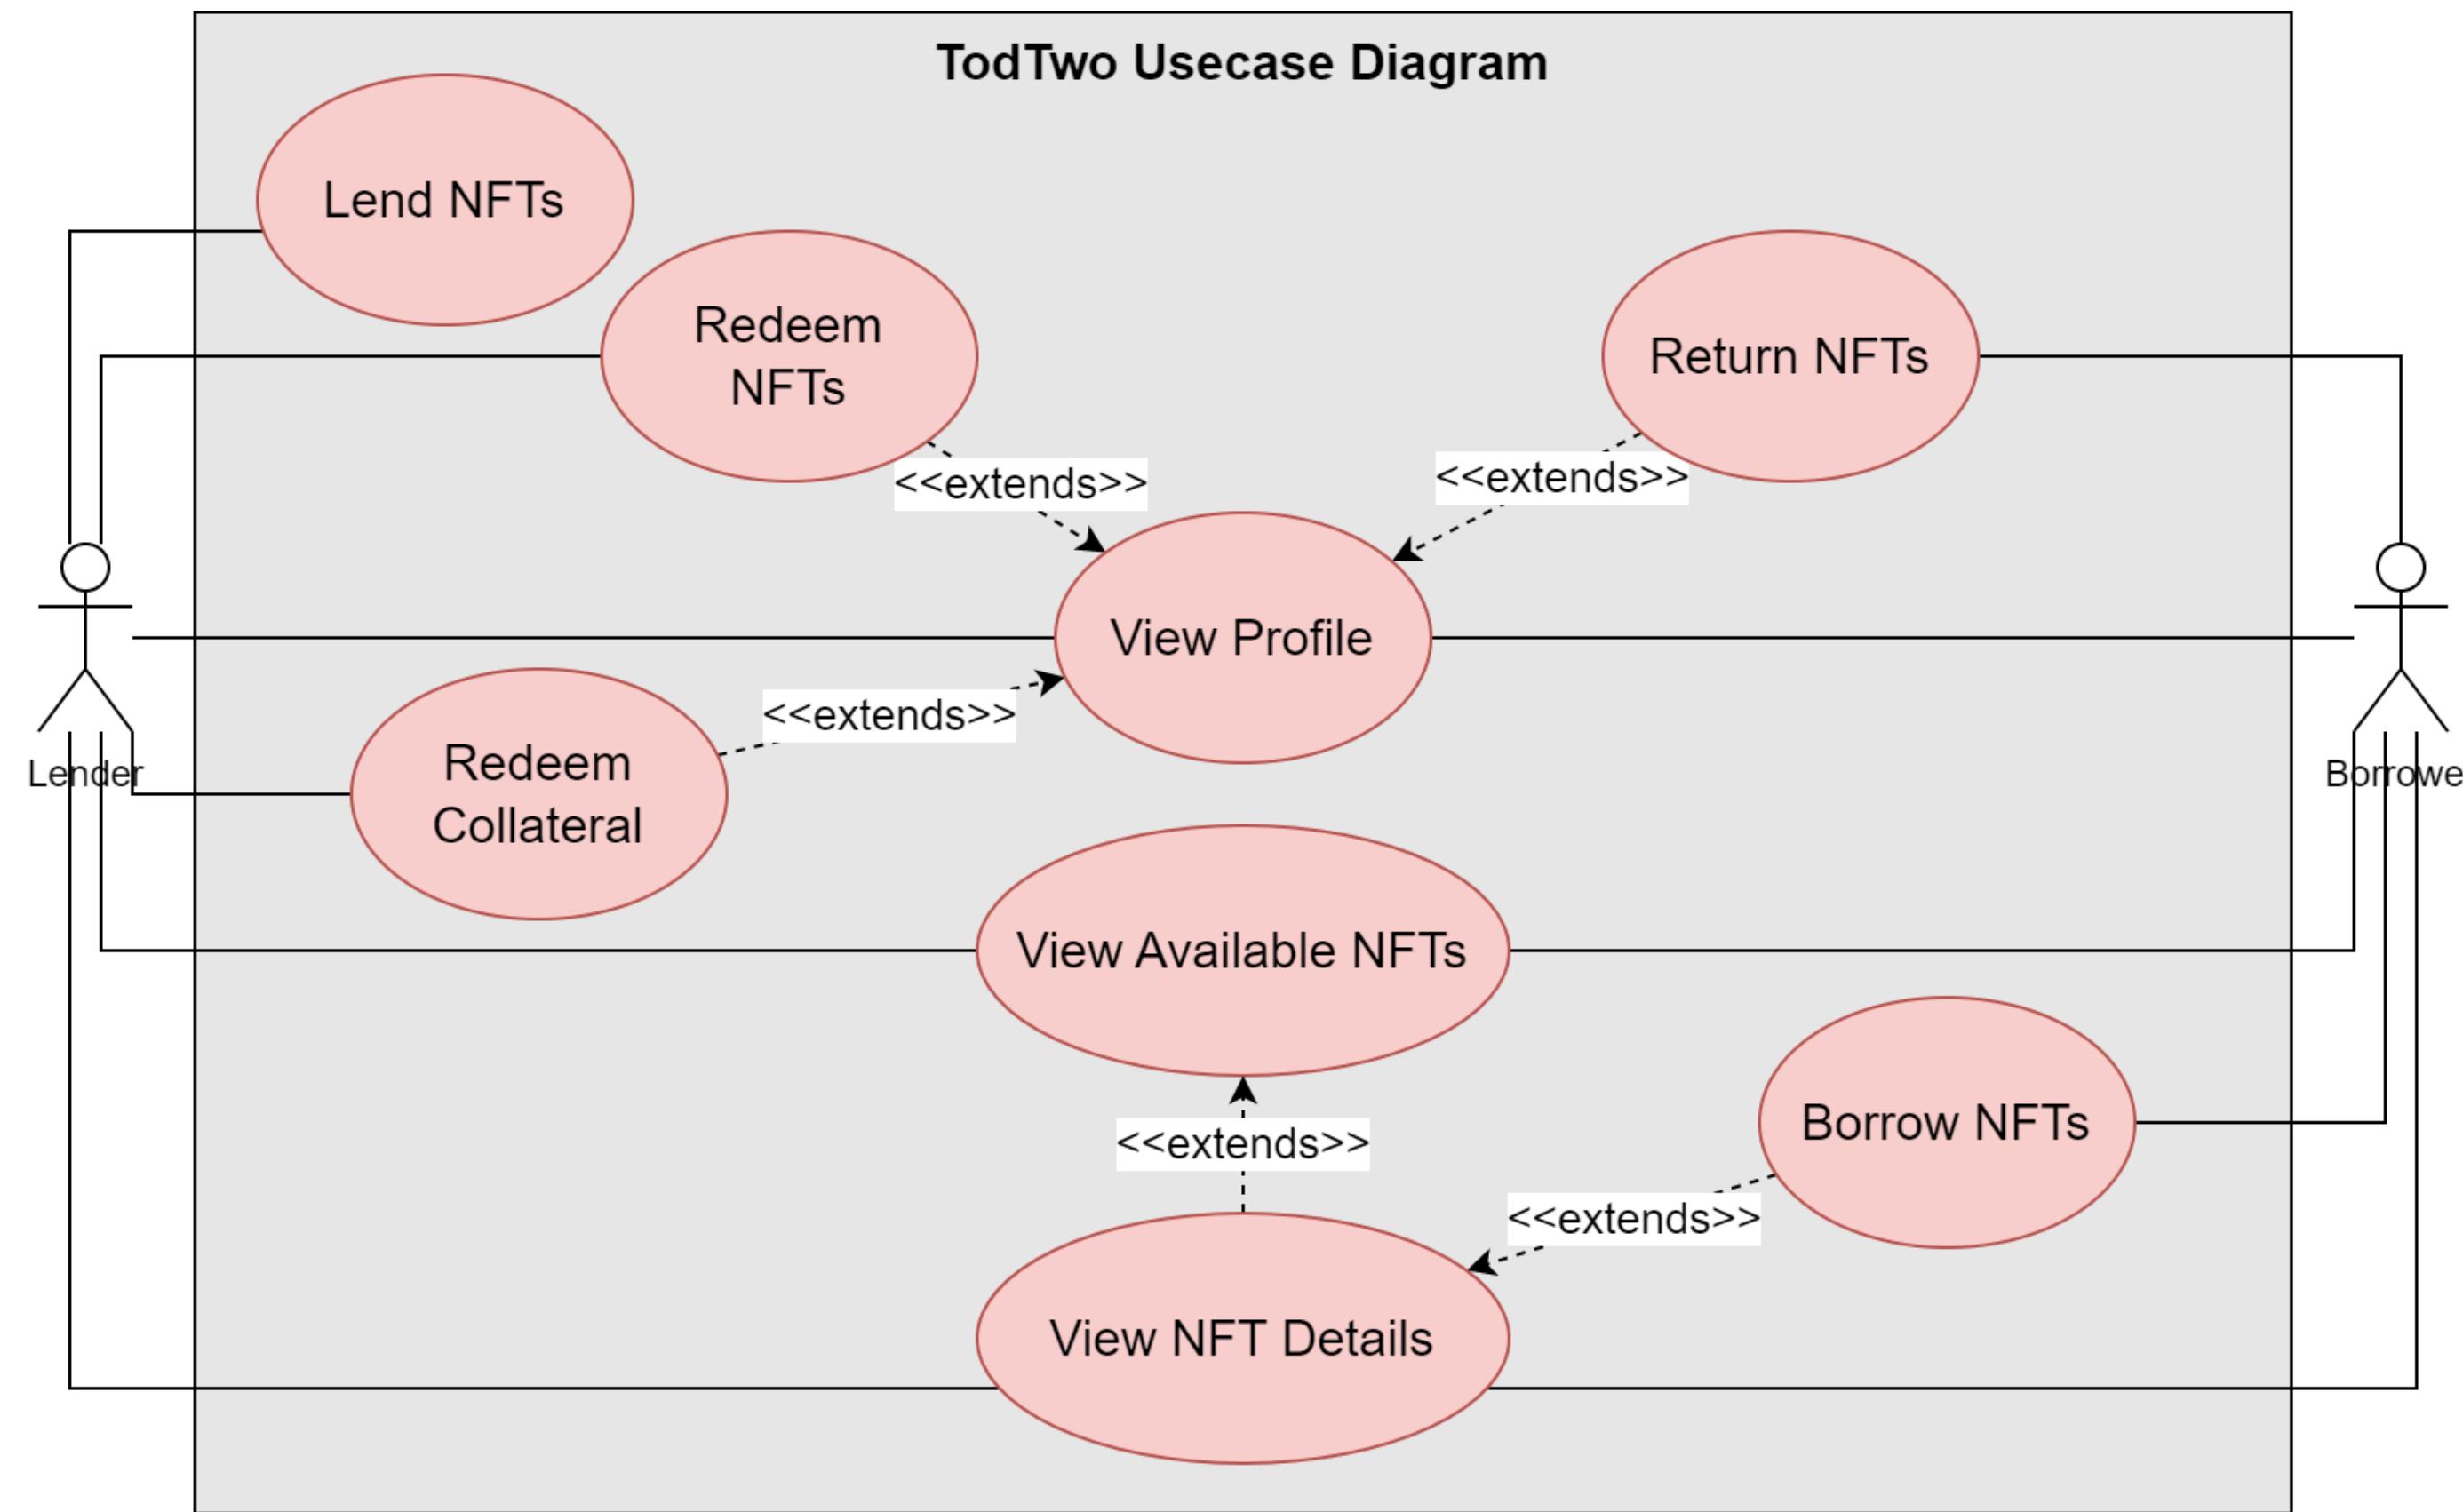

(NFT Borrowers)

- Want to participate in particular events as benefits but do not own the required NFT(s)
- Want to redeem special perks and benefits but do not own the required NFT(s)
